# CyberQuest – Scavenger Hunt

## Instruction

Pick a clue between 1-6. Scan the QR code and enter the answer for that clue. You'll get hints for next clue's location. Find the clue (look like this paper), and enter answer again. You only need to solve three out six riddles.

Remember the passwords. Then, go back to the CyberQuest to finish the game. Try clue O with password "Atlanta" for more details. Have fun!
